**EPTAGON**  
BUSINESS SOLUTIONS

EPTAGON BUSINESS SOLUTIONS IS MORE THAN JUST A SERVICE PROVIDER – WE ARE YOUR BUSINESS PARTNER.

## ABOUT US

Eptagon Business Solutions offers a comprehensive, transparent, fully integrated import solution that is designed to meet its Clients' unique cash flow and trade requirements. It manages every aspect of the import process, from the time that an order is placed with a supplier, to the point that the products are delivered to the Client.

## WHAT WE DO

Eptagon Business Solutions provides a holistic start-to-finish trade facility, delivering a fully integrated and tailored supply chain package to meet the needs of its clients through finance and logistics support.

## BENEFITS

- 1 Improved cash flow.  
Determining the profitability of products through indicative costing schedules which reflect their total landed cost price.
- 2 Complete visibility and tracking of shipment through a digital platform.
- 3 Single point of contact during the entire import process.
- 4 Payment of only a single consolidated invoice at the end of the import process reflecting the total landed cost per item.
